

SolarWinds Orion® – Modular Training Manual

NetFlow Traffic Analyzer v3

Brett D. Organ

13

Table of Contents

Introduction to NetFlow Traffic Analyzer	3
Installation	11
Configuration and Data Maintenance	20
NetFlow Data in the Orion Web Console.....	41
Creating NetFlow Reports	55
Appendix - Labs	61

Introduction to NetFlow Traffic Analyzer

Introduction to NetFlow Traffic Analyzer	3
Why Install NetFlow Traffic Analyzer	4
Why Use Orion NetFlow Traffic Analyzer	5
How Orion NetFlow Traffic Analyzer Works.....	5
NetFlow – the Basics	6
Notes	9
Discussion Questions.....	10

Installation

Installation	11
Purpose of Module Two	12
Licensing Orion NetFlow Traffic Analyzer.....	12
Hardware Requirements	12
Enabling NetFlow on Cisco Hardware	14
Manual Configuration Example	14
Extreme sFlow Configuration	15
HP sFlow Configuration	15
Installing Orion NetFlow Traffic Analyzer.....	16
Notes	18
Discussion Questions.....	19

Configuration and Data Maintenance

Configuration and Data Maintenance	20
Getting Started	21
Adding NetFlow-enabled Devices and Interfaces	21
Adding NetFlow Sources to NetFlow Traffic Analyzer.....	22
Enabling the NetFlow Traffic Analysis Summary View.....	24
Optimizing NetFlow Data Collection and Maintenance.....	25
Database Settings.....	25
How NTA Manages Collected Data.....	27
NetFlow Management.....	27
DNS and NetBIOS Resolution.....	28
IP Address Processing.....	29
Top Talker Optimization.....	29
Configuring Monitored Ports and Applications.....	30
Selecting IP Address Groups for Monitoring.....	33
Configuring Protocol Monitoring	35
Configuring NetFlow Types of Services	36
Configuring NetFlow Collector Services	37
Notes	39
Discussion Questions.....	40

NetFlow Data in the Orion Web Console

NetFlow Data in the Orion Web Console.....	41
NetFlow Views Available on the SolarWinds Web Console	42
Customizing Charts in NetFlow Traffic Analyzer	43
Edit <i>Resource</i> Page	43
Customize Chart Page.....	44
Chart Titles.....	44
Time Periods.....	44
Adjust Sample Interval	44
Chart Size.....	45
Data Tables.....	45
Font Size	45
Printing Options.....	45
Data Export Options	45
Enabling Progressive Charting.....	46
Classic vs Interactive Charts	47
Using Endpoint Centric Resources	49
Using the Flow Navigator	50
Notes	53
Discussion Questions.....	54

Creating NetFlow Reports

Creating NetFlow Reports	55
NetFlow Reports.....	56
NetFlow Reports in Report Writer	56
Creating a Custom Report using Report Writer	56
Notes	59
Discussion Questions.....	60

Appendix - Labs

Appendix - Labs	61
Configuring NetFlow Settings.....	62
NetFlow Web Views	64
NetFlow Reports Lab	65
